D. R. Schaal Agency, Inc.

Personnel Safety: It is the customer’s responsibility to make the grain, commodity or stowage area safely accessible. Agency employees do not open or close doors or lids on railcars or shipping containers. There must be a minimum of two people at all times on top of railcars and in the immediate vicinity at facilities where services are being performed. This can be two Agency employees or one Agency employee and one customer employee. This is to ‘render aid if needed’ or to call for assistance.

Weather Policy: Agency will adhere to the following inclement weather policy: Sampling and stowage examination requests may be delayed, curtailed or dismissed when any of the following conditions exist: High winds, rainfall/snow that creates conditions that are dangerous to employee and/or facility specific conditions that could put employees providing services in jeopardy. Adequate lighting must be provided when onsite services are requested after sunset. Agency will abide by federal, state and local authorities in regard to voluntary and/or mandatory evacuations in the event of severe weather or other natural disasters.
